### PARTY POOPER™

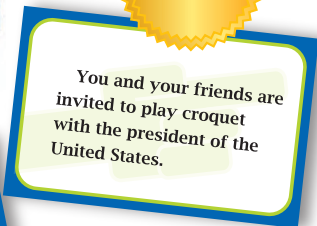

*Having Fun is the Point!*

The spontaneous party game that will have players pointing in all directions. Players are invited to a variety of events—they'll discover who's the party pooper and who's the party animal. With over 400 cards, it'll be hours and hours of surprising fun for friends and family.

- Ages 12 to Adult
- 4-8 Players
- 20-30 Minutes per Game

#2007

\$24.99 Sug. Retail

Point out the Party Animal (or Party Pooper) and win!

### LETTER ROLL™

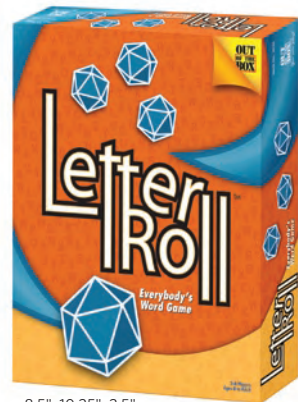

*Everybody's Word Game!*

Roll the special dice and flip over the timer. Players race to list words containing the three letters shown on the dice. Only words listed by a single player score points so players are rewarded for their speed and creative thinking!

- Ages 8 to Adult
- 2-8 Players
- 20-30 Minutes per Game

### BACKSEAT DRAWING™

*The Hysterical Game of Sketchy Directions!*

Two teams race to identify drawings done by their own team members. But the artists don't know what they are drawing—they can only follow the instructions given by another team member. Laughter erupts as players attempt to follow direction and to guess what is being drawn.

With *Backseat Drawing*, there's no time to stop and ask directions—the fun never stops!

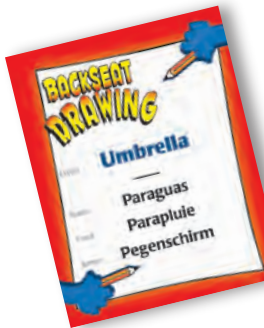

- Ages 12 to Adult
- 4-10 Players
- 20-30 Minutes per Game

#3729

\$24.99 Sug. Retail

Explain to a teammate how to draw (in this example—a cat) and win.

Each card has English, Spanish, French and German!

### THE CHAIN GAME™

*The Quick-Thinking Linking Game!*

Unlock your mind for spontaneous laughter! Race to say a common phrase using one word from the previous phrase. Keep the chain going and you keep your links. If the horn blows, the time is up, and you lose a link. The next player reads a new card and the fun continues!

Fast, fresh, and free-flowing... *The Chain Game* will be the link that brings your friends and family together.

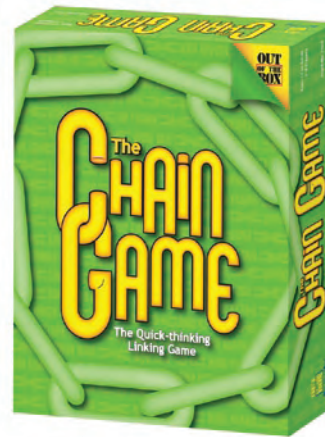

- Ages 12 to Adult
- 3-10 Players
- 20-30 Minutes per Game

### SQUINT® JUNIOR

Squint® Junior brings the eye-opening fun of the award winning game Squint to the entire family.

Picture this! A player uses transparent shape cards to build a simple picture. As it is being built, other players guess what the picture might be.

Everyone plays on every turn—young players have fun creating pictures from shapes. A great family game for three to eight players!

- Ages 8 to Adult
- 3-8 Players
- 20-30 Minutes per Game

"This is a creative game the whole family can enjoy playing together!"  
—Dr. Toy

Build a picture while players race to guess it.

### SQUINT®

The Game Where Pictures Take Shape!

Squint and see your family and friends come together for this exciting new party game.

Using a variety of shapes, build a picture of the item listed on your Squint Card.

Get the picture? If one of the players guesses what you are building before time runs out, you both score points!

- Ages 12 to Adult
- 3-8 Players
- 20-30 Minutes per Game
